OUTDOOR FIREPLACE COLLECTION (OFC)

The All-New **OUTDOOR FIREPLACE COLLECTION** by Warming Trends® offers elegant kits designed to easily complete a beautiful gas fueled Outdoor Fireplace.

Whether your project calls for a small, medium, or large Outdoor Fireplace, Warming Trends has you covered. Each kit includes a steel grate, CROSSFIRE® Brass Burner, elevated black powder-coated plate, and all connections needed for a quick and complete installation.

Determine the correct size kit based on the interior width of your fireplace. Then choose between an H-Style or Tree-Style CROSSFIRE Brass Burner to complete your kit.

120K BTU Tree-Style
